FEGLI Open Season

In honor of the 50th Anniversary of the Federal Employees' Group Life Insurance Program, a special open season is being held from September 1 through September 30. This open season gives eligible employees a rare opportunity to enroll or change their current FEGLI coverage. Current FEGLI elections are not listed on your leave and earning statement, however, a letter has been mailed to each eligible employee's home with his/her current FEGLI election. A special FEGLI open season website will be available beginning September 1 with detailed information on your open season choices. The website can be found at <http://www.fegli2004.opm.gov>.

If you need additional information, please contact your Servicing Human Resources Office.
